

Cornerstone Academy PTA
Executive Board Meeting
January 9, 2017

President D'Nette Dodds called the meeting to order at 7:47am in the library at CSA. Those in attendance were D'Nette Dodds, Kristin Hopper, Roxanne Camden, Crista Landau, Jennifer Major, Betsy Humphrey, Margaret Sanders, Loan Trinh and Gail Gould.

Secretary Roxanne Camden noted the December minutes have been posted to CSA website and no changes need to be made.

Treasurer Kristin Hopper states there is no new news to report at this time.

Betsy Humphrey (membership) stated that teacher PTA membership is up and 6th grade is at 100% teacher membership.

Ways & Means

Auction Chair Loan Trinh states that all chair positions have been filled. She also shared that all inflatables are contracted and Cho-Yeh Camp is sponsoring two of our inflatables.

Ms. Trinh asked if paper invitations are necessary for auction. It was decided that yes, paper invites are needed, but it is a good idea to look at ways to condense and/ or shorten invitations. More information will be discussed at February meeting. She also discussed reaching out to teachers on donating class parties for auction. Lastly, Ms. Trinh stated that this year's auction catalog will be available online, with hard copies only given to those attending auction. Discussion ensued and it was decided that we definitely want to have hard copies available for parents who may not have computer access. Also mentioned that we will send invitations to both incoming new CSA families as well as those on wait list.

Our hot chocolate fundraiser made \$120.00 and Spirit night is also doing well with the next to be held at Freddie's on January 25, 2017.

Brick campaign is no longer being handled by PTA. The district website is handling purchase of bricks and forms are available in CSA front office.

Gail Gould discussed upcoming screening of Screenagers. Date of screening is February 23, 2017. She also discussed extending invitations to other area middle schools. Ms. Gould stated a flier will be sent home with children to open dialog with parents. D'Nette Dodds mentioned our February general meeting will be held directly before Screenagers is shown.

A discussion then ensued about potential names for nominating committee. Will be further discussed at February meeting.

Mr. Burger stated that CSA teachers recently toured the new school campus and that everything is moving along on schedule. Possible completion by Spring Break.

Ms. D'Nette Dodds shared that two entries were sent to Reflections competition from Cornerstone and that both students entries have been chosen for state.

Ms. Dodds then closed meeting at 8:25am.
